Quranic Applications

The Quran decorates your characters by giving a decent shape to your actions. One of the most common actions is your uttering of words through tongue. The Quran clearly states that the words should be honest, clear and straight on the topic and your conversation has to be positive in all respects. Look at the command of your Merciful Allah.

.... وَقُوْلُوْا لِلنَّاسِ حُسْناً...

and speak good to people

Al-Qur’an, Surah Al Baqarah: 83

Every word of yours is good if it :

- Benefits the listener
- Creates a good atmosphere
- Makes you happy

So, before any conversation think of Allah's command.

Speak good to the people. Speak well, always.

It's very important, the Almighty Allah reminds us :

وَقُل لِّعِبَادِىْ يَقُولُواْ الَّتِىْ هِىَ أَحْسَن....

And tell My servants that they should
(only) say those words that are the best.

Al-Qur'an, Surah Bani Israel: 53)

Your words are very powerful.

They can either unite or break the hearts.

Be careful and let your words bind the hearts.

Your goodness depends on the goodness of your words.

The goodness of words depends on how well you make use of your tongue.

Our beloved Prophet Muhammad (pbuh) says one of the qualities of the dwellers of Jannah is that they always speak the right thing.

Speak always the right thing, if you have nothing to say, just keep quiet.
